

Healing Light in Guatemala

Every year a group from Healing Pathway Canada brings healing light to marginalized women in Guatemala.

Calgary's Jackie Walters has just returned from the 2017 trip and will share her experiences working in partnership with Colectivo Artesana in Guatemala.

A well-respected women's advocacy group, Colectivo Artesana works with:

- ◆ Women in prison
- ◆ Indigenous communities
- ◆ A school for complementary therapy
- ◆ Medical workers
- ◆ Government
- ◆ Police
